

Marketing

Question Booklet

Past HSC and trial questions from your Drive, screenshotted exactly as they appeared in the original papers.

SECTION	QUESTIONS			
Section A — Multiple choice	Q1–17	17 questions	17 marks	p. 2
Section B — Short answer	Q18–44	27 questions	95 marks	p. 8
Section C — 20-mark questions	Q45–46	2 questions	40 marks	p. 25

How to use this booklet

1. **Section A** – multiple choice: circle one answer (about 1.5 min each).
2. **Section B** – short answers. Each question shows the paper it came from and its marks, and has the same number of writing lines as the original paper (about 1.8 min per mark).
3. **Section C** – the 20-mark questions are on the last pages: plan in the box, then write in full on separate paper.
4. Check your answers in the matching **Answer Booklet** – question numbers are identical.

Section A — Multiple choice

Circle the best answer. About 1.5 minutes each.

Section C — 20-mark questions

A business report and an essay. Plan in the box, then write on separate paper (about 35 minutes each).

Q45 2020 HSC · Question 25

20 marks

Icecreams R Us exclusively delivers ice-cream to homes in Newcastle. To increase market share, they are negotiating with a major service station chain, Eucafuels Ltd, to sell their brand of ice-cream throughout NSW.

Before they agree to sell the ice-cream, Eucafuels Ltd have a number of concerns over the ability of Icecreams R Us to:

- deliver ice-cream to their outlets in NSW in a timely manner
- create an awareness that the ice-cream will be sold at Eucafuels Ltd outlets
- produce an increased volume of ice-cream while maintaining a quality product.

To address these concerns, you have been hired as a consultant by Icecreams R Us to write a report to their directors. In your report:

- describe TWO physical distribution issues that the business needs to consider in the delivery of their product
- justify ONE promotional strategy the business could use
- recommend possible changes the business could make to their operations processes to address the volume and quality concerns of Eucafuels Ltd.
